

School Age & Summer Camp Program

Before school at **Kids 'R' Kids** your child can look forward to breakfast and visiting friends before busses pick up for school. Books, board games, puzzles, computers and other “quiet” activities are available.

For our afternoon program, we recognize that your child has been in school all day. Our learning centers provide your child with an environment where they can have fun and be challenged at the same time.

Upon arrival as **Kids 'R' Kids** after school, the children sit down for a nutritious snack.

Never boring, we have everything from board games to a computer center, books, arts and crafts and outdoor fun. Our teachers are available for any tutoring that your child may need. We are aware that not every child will have homework every day. If this is the case, the children can take advantage of this time to indulge in some of the exciting literary adventures we have to offer.

Ages vary from kindergarten and first grade through fifth grade. The older children love to help the younger children with activities and it is not uncommon to find the older children performing a puppet show or story time for younger children to enjoy.

On “school holidays” or vacation weeks, we offer a full day of activities – often including a field trip. Both breakfast and lunch, plus mid morning and afternoon snacks, are served.

The **Kids 'R' Kids Camp All Stars** offers a fun time for kindergartners through fifth grade. It runs while school is out and offers many field trips, picnics, activities and sports. This program is designed to build confidence and self-esteem. Children will earn ribbons, medals, and trophies for participating in the **Kids 'R' Kids** Art Fair, Science Fair, Olympics, and Talent Show. Many of our children return summer after summer to enjoy the fantastic **Kids 'R' Kids Camp All Stars**.

Kids Are Laughing! Kids Are Learning!
